

Location: Interchange Development Corporation (IDC) is located in the vibrant city of Langley, BC on the southeast corner of the 200th street and Highway 1 Interchange. The sites proximity to the bustling Walnut Grove Industrial area and excellent exposure from Trans-Canada Highway and 200th make it the perfect location for your new business.

Exposure: Between 31,000 and 43,000 vehicles will pass your business every day offering absolutely free advertisement (2005 Ministry of Transportation estimate).

Customization: Building can be customized and tailored to suit your business needs.

Infrastructure: Connection to Highway 1 will be key to the success of your organization. Upcoming infrastructure improvements, including the Twinning of the Port Mann Bridge, will make Interchange 200 the dead center of the Fraser Valley.
